Waikato Boat Expo at The Base

The Base in Hamilton is set to host the newly established Waikato Boat Expo in Hamilton in February 2016.

This event is the Waikato's only marine and fishing exhibition, which is geared to be a remarkable showcase for the industry and is sure to satisfy the region's boat and fishing enthusiasts.

The broad range of products, equipment and supporting services on display will provide the ideal opportunity to compare brands and the deals on offer.

The Expo will also provide the opportunity for kayakers, small boat retailers, as well as camping, and other outdoors retailers to promote their goods and services. The Expo will feature a secondhand boats section, and is aimed at supporting the Raglan Coastguard a very worthy cause in our community.

Raglan Volunteer Coastguard delivers a Service to all recreational and commercial mariners on the west coast of the North Island.

The unit functions thanks to dedicated, professionally trained and committed volunteers. The unit operates three rescue vessels out of Raglan on a 24/7 basis 365 days of the year.

Book this date into your calendar to check out the latest products on offer at the Waikato Boat Expo on Saturday 27th and Sunday 28th February 2016 at 'The Base', Hamilton.

The gates will open 9am to 5pm, admission \$10 adults, 14 year olds and under free.

Tickets can be purchased at the gate or online at www.waikatoboatexpo.com or email info@waikatoboatexpo.com, in due course.
